

Specifications for video recordings for the first round

All invited participants are asked to provide a video recording, that has to meet the following requirements:

Content

- Recent (less than 12 months old) video recording, containing the **full repertoire** for the first round.

Recording

- Pieces must be recorded in their entirety and have to be UNEDITED (no cuts).
- Movements can be recorded as single files.
- Microphones should be positioned at a distance allowing to obtain a good sound quality.
- The video should be filmed from a fixed camera angle; musician's hands and face must be entirely visible at all time.

Technical specifications (suggested)

- Video quality - 720p or 1080i or 1080p
 - Audio quality - 256kbps mp3 or 128aac
 - Microphone of adequate quality (no built-in smart phone mic), if possible
 - File Format – mp4 or mov
 - max. 9 Mbit, max. 900 MB
